

## Spring 2012 HIGHLINE JUNIORS Program

### Program Overview

Highline Premier FC is excited to announce the launch of the HIGHLINE PREMIER JUNIORS Program. The program is a supplemental advanced development soccer program for motivated boy and girl recreational soccer players in the U8, U9 and U10 age groups. HIGHLINE PREMIER JUNIORS is part of the new Washington Youth Soccer Regional Club League (RCL) Junior Academy Program. Our Juniors Program is open to any players seeking participation in a higher level of training and match experiences. It is suited for recreational players and parents desiring a more soccer-intensive, advanced player development experience delivered in a more structured skills development process. The program's focus is on skills growth in a fun, high energy environment. The Spring component of the HIGHLINE PREMIER JUNIORS Program runs from February through April. It will incorporate a combination of weekly trainings and weekend matches, small-sided games and jamboree activities within the program and with other area programs and clubs.
